Dear Rhinebeck and Anderson Center friends,

Anderson Center for Autism and the Village of Rhinebeck are collaborating to raise $10,000 to support the Village of Rhinebeck Autism Supportive Community project. The Thomas Thompson Trust has challenged us if we can raise $10,000, they will match with another $10,000!

The Village of Rhinebeck Autism Supportive Community is a program to train volunteers, businesses, and community leaders to help make the community more welcoming for people on the autism spectrum and with other special needs and abilities.

Join us in supporting this project. Make your gift to Anderson Foundation for Autism and note that it is in support of the Rhinebeck Autism Supportive Community project.” ATTN: Rhinebeck ASC, Anderson Foundation for Autism, 4885 Rt 9 PO Box 367, Staatsburg, NY 12580.
