Careers

As the number of individuals affected by Autism Spectrum Disorder continues to grow, so does the need for dedicated and compassionate professionals who can effectively provide care and evidence-based treatment to individuals and their families. All staff at Anderson Center for Autism (ACA) are integral to our team focus and collaborative culture. As an employee of ACA, you can help individuals on the autism spectrum reach their full potential and optimize their quality of life. We offer competitive salaries starting at \$15.00/hr, a generous benefits package, and incentives for employees continuing their education.

We employ professionals in a wide variety of positions including; special education, direct care, clinical, health services, and support service fields. If you are interested in a challenging and rewarding career working with children, adolescents, and adults, please contact us at:

employment@andersoncares.org

Learn & EarnSM

At ACA, we understand that an investment in our staff is an investment in our future. ACA staff members are some of the mostly highly trained experts in the field of autism. We encourage our staff to continue their professional growth by taking full advantage of the many educational and advancement opportunities available. Our national award-winning Learn & EarnSM Program outlines initial training and ongoing educational and professional development options for staff. This includes orientation, mentoring programs, competency programs, tuition assistance and payment incentives, ACA credit classes, conferences, and more, to improve the quality of care delivered by our staff.
