

March 2024

It's a centennial celebration of serving our community for 100 years! Support optimizing the quality of life for individuals with autism for many more centuries with an auction or raffle prize donation!

Support of Anderson Foundation for Autism's events directly impacts the lives of nearly 600 children, adults, and families from New York and throughout the United States. Anderson's exceptional programs and services are made possible by supporters like you.

Our organization relies heavily on support from generous donors like yourself to continue our important work. Your donations help us remain the leader in treatment and care for people on the autism spectrum.

We are happy to receive items starting today for our :

- *Anderson Foundation for Autism Golf Classic occurring on June 6, 2024*
- *Anderson Foundation for Autism Annual Gala occurring on September 28, 2024*

Prize donors will receive recognition of their generosity via e-mail blasts, social media, website, and live at the event!
